

# All Your Favorite Bands Dawes

## Verse 1:

[G]Late night drives and [C]hot French fries and [G]friends around the country  
From [G]Charlottesville to [D]good old Santa [G]Fe  
When I [G]think of you you've [C]still got on that [G]hat that says, "Let's Party!"  
[G]I hope that thing is [D]never thrown [G]away

## Chorus:

*I hope that [C]life without a chaperone is [G]what you thought it'd be  
I hope your [C]brother's El Camino runs for[G]ever  
I hope the [C]world sees the same person that you [Em]always [D]were to [C]me  
And may [G]all your favorite [D]bands stay [G]together*

## Verse 2:

I'm just [G]waking up and [C]I'm not thinking [G]clearly, so don't quote me  
Of [G]what I hope I'm [D]writing you this [G]song  
Ain't it [G]funny how some [C]people pop in[G]to your head so easily  
When [G]haven't seen you [D]in there for so [G]long

## Chorus:

*I hope that [C]life without a chaperone is [G]what you thought it'd be  
I hope your [C]brother's El Camino runs for[G]ever  
I hope the [C]world sees the same person that you [Em]always [D]were to [C]me  
And may [G]all your favorite [D]bands stay [G]together*

## Final Chorus:

*I hope that [C]life without a chaperone is [G]what you thought it'd be  
I hope your [C]brother's El Camino runs for[G]ever  
I hope the [C]world sees the same person that you [Em]always [D]were to [C]me  
And may [G]all your favorite [D]bands stay [Em]together [C]  
And may [G]all your favorite [D]bands stay [G]together.*
