Well, I [A] never felt more like [D] singin' the blues
'Cause [A] I never thought that
[E7] I'd ever lose, your [D] love dear
[E7] Why'd you do me that [A] way [D]-[A]-[E7]

I [A] never felt more like [D] cryin' all night
When [A] everything's wrong,
And [E7] nothin' ain't right with [D] out you
[E7] You got me singing the [A] blues [A7]

The [D] moon and stars no [A] longer shine
The [D] dream is gone I [A] thought was mine
There's [D] nothing left for [A] me to do
But cry [NC] over you [E7]

Well I [A] never felt more like [D] runnin' away
But [A] why should I go,
'Cause [E7] I couldn't stay, with-[D] out you
[E7] You got me singing the [A] blues

Well, I [A] never felt more like [D] singin' the blues
