first note E – 4/4 time – Intro:/ 1 2 3 4 / 2 2 3 4 /

[C7](8) (C7 is the only chord in this song)

Brother bought a coconut, he bought it for a dime
His sister had another one, she paid it for a lime
She put the lime in the coconut, she drank them both up
She put the lime in the coconut, she drank them both up
She put the lime in the coconut, she drank them both up

She put the lime in the coconut, she called the doctor, woke him up
And said, Doctor, ain't there nothin' I can take
I say, doctor, to relieve this bellyache?
I say, doctor, is there nothin' I can take
I say, doctor, to relieve this bellyache? I say...

(this verse sung in "Doctor's" voice)

Now let me get this straight
Put the lime in the coconut, she drank them both up
She put the lime in the coconut, she drank them both up
She put the lime in the coconut, she drank them both up
She put the lime in the coconut, she called the doctor, woke him up

(back to "regular" voice, now with harmony)

And said, Doctor, is there nothing I can take
I said, Doctor, to relieve this bellyache?
I said, Doctor, is there nothin' I can take
I said, Doctor, to relieve this bellyache?

You put the lime in the coconut, you drink 'em both together
Put the lime in the coconut, and you feel better
Put the lime in the coconut, drink 'em both up
Put the lime in the coconut, you call me in the morning

oo-hoo oo-oo, oo-oooh-oooh-oo,
oo-hoo, oo-hoo, oo-oooh-oooh
oo-hoo oo-oo, oo-oooh-oooh-oo,
oo, oo-hoo, oo, oo-hoo, ooo

(this verse sung like a "round" with 2nd voice trailing the first)
Brother bought a coconut, he bought it for a dime
His sister had another one, she paid it for a lime
She put the lime in the coconut, she drank them both up
And put the lime in the coconut, she called the doctor, woke him up

She said, Doctor, is there nothin' I can take
I said, Doctor, to relieve this bellyache?
I said, Doctor, is there nothin' I can take?
I said, Doctor, Now let me get this straight

You put the lime in the coconut, you drink 'em both up
Put the lime in the coconut, you drink 'em both up
Put a lime in the coconut, you drink 'em both up
Put the lime in the coconut, you such a silly woman

Put a lime in the coconut and drink 'em both together
Put the lime in the coconut, then you feel better
Put the lime in the coconut, and drink 'em both down
Put the lime in the coconut, and call me in the morning

Whoo-who-who-who, is there nothin' you can take
I say, whoo-who-who-who, to relieve your bellyache
You say, well, whoo-who-who-who, is there nothing I can take
I say, whoo-who, to relieve your bellyache
I say, yeah, is there nothin' I can take
I say, waah waah, to relieve this bellyache

I say, Doctor, ain't there nothin' I can take?
I say, Doctor, to relieve your bellyache?
I say, Doctor, ain't there nothing I can take?
I say, Doctor, You're such a silly woman

Put the lime in the coconut and drink them both together
Put the lime in the coconut, then you feel better
Put the lime in the coconut, drink 'em both up
Put the lime in the coconut, and call me in the mo-o-o-o-orning

Yes, you call me in the morning
If you call me in the morning, I'll tell you what to do
If you call me in the morning, I'll tell you what to do
If you call me in the morning, I'll tell you what to do
If you call me in the morning, I'll tell you what to do
Well, if you call me in the morning, I'll tell you what to do
