[D] I wander the streets
And the [G] gay crowded [D] places
[E7] Trying to for [A7] get you
But [E7] somehow it [A7] seems

That my [D] thoughts ever stray
To our [G] last sweet em [D] braces
[F#m] Over the [Bm] sea [G] on the [A7] island of [D] dreams

[C] High in the [A7] sky is a [D] bird on a [F#m] wing
[G] Please [D] carry me [C] with [A7] you
[C] Far far a [A7] way from the [D] mad rushing [F#m] crowd
[G] Please [D] carry me [C] with [A7] you

A-[D] gain I would wander
Where [G] memories en [D] fold me
[F#m] There on the [Bm] beautiful [A7] island of [D] dreams

[C] High in the [A7] sky is a [D] bird on a [F#m] wing
[G] Please [D] carry me [C] with [A7] you
[C] Far far a [A7] way from the [D] mad rushing [F#m] crowd
[G] Please [D] carry me [C] with [A7] you

A-[D] gain I would wander
Where [G] memories en [D] fold me
[F#m] There on the [Bm] beautiful [A7] island of [D] dreams

[F#m] far, far a [Bm] way on the [A] island of [D] dreams
