[Dm]We sail tonight for Singapore, we're all as mad as hatters
here

I've fallen for a tawny moor, took off to the Land of Nod

[Gm]Drank with all the Chinamen, walked the sewers of Paris

I **[Dm]**danced along a colored wind, dangled from a rope of sand

[A]You must say goodbye to **[Dm]**me

[Dm]We sail tonight for Singapore, don't fall asleep while you're
ashore

Cross your heart and hope to die, when you hear the children cry

[Gm]Let marrowbone and cleaver choose, while making feet for children's shoes

[Dm]Through the alley, back from hell, when you hear that steeple bell

[A]You must say goodbye to **[Dm]**me

[Gm]Wipe him down with gaso**[Dm]**line, **[Gm]**till his arms are hard and
[Dm]mean

From **[Gm]**now on, boys, this **[Dm]**iron boat's your **[F]**home

So heave away, boys **[A]**

[Dm]We sail tonight for Singapore, take your blankets from the floor
Wash your mouth out by the door, the whole town's made of iron ore

[Gm]Every witness turns to steam, they all become Italian dreams

[Dm]Fill your pockets up with earth, get yourself a dollar's worth

[A]Away boys away boys, heave **[Dm]**away

[Gm]The captain is a **[Dm]**one-armed dwarf, **[Gm]**he's throwing dice along the
[Dm]wharf

[Gm]In the land of the **[Dm]**blind, the one-eyed man is **[F]**King

So take this ring **[A]**

[Dm]We sail tonight for Singapore, we're all as mad as hatters here
I've fallen for a tawny moor, took off to the Land of Nod

[Gm]Drank with all the Chinamen, walked the sewers of Paris

I **[Dm]**danced along a colored wind, dangled from a rope of sand

[A]You must say goodbye to **[Dm]**me
