There's a **[G]**pine log shack in the mountains.
That's where my Corey dwells
She makes the finest mash **[Dm]**liquor**[F]**.
What she **[G]**doesn't **[F]**drink she **[G]**sells

Well, the **[G]**first time I seen darlin' Corey
she was weavin' through the woods
With a kerosene lantern on her **[Dm]**shoulder**[F]**
and a **[G]**satchel **[F]**full of **[G]**goods.

Please **[G]**do drop down next Monday.
Please bring me a jug or five.
When the sun comes up on **[Dm]**Tuesday**[F]**
don't **[G]**figure to **[F]**be a**[G]**live.

Don't **[G]**care if you are livin'.
Don't care if you are dead.
If you're gonna drink to my **[Dm]**products**[F]**
then I'm **[G]**gonna **[F]**take your **[G]**bread.

Well, the **[G]**last time I seen darlin' Corey,
she was wanderin' through the weeds
With a **[G]**government man be**[Dm]**hind her**[F]**.
Gonna **[G]**grab her **[F]**for her **[G]**deeds.

Wake **[G]**up, wake up, darlin' Corey.
What makes you sleep so sound?
The **[G]**revenue officer's a **[Dm]**comin'**[F]**,
gonna **[G]**tear your **[F]**still house **[G]**down
