[G](4) **[D](4)** **[G](4)**

We **[C]** saw her through the window
Of her **[G]** humble little home
The **[C]** street was bright with **[D]** Christmas lights
But **[G]** she was all alone
She's **[C]** lived here in the neighborhood
For **[G]** twenty years or more
But no **[C]** one cared or no one dared
To knock upon her **[D]** door

She **[C]** opened up the door to us
And **[G]** welcomed us inside
And **[C]** though she smiled **[D]** bravely
We saw **[G]** tears were in her eyes
Her **[C]** family was so far away
And could **[G]** not come this year
The **[C]** thing she needed most of all
Was suddenly quite **[D]** clear

Chorus:

We shared a **[C]** Christmas hug
We **[D]** shared some **[G]** Christmas love
And felt the **[C]** tender ache of **[D]** loneliness **[G]** depart
We shared a **[C]** Christmas hug
We finally **[D]** cared **[G]** enough
To feel the **[C]** miracle of **[D]** Christmas
In our **[G]** hearts

We **[C]** held our simple **[D]** Christmas gift
In **[G]** ribbons green and red
But **[C]** saw there was a **[D]** greater need
And **[G]** offered it instead
Our **[C]** little girl ran to her arms
And **[G]** hugged her **[C]** tenderly
She said "there could not ever be
A sweeter gift for **[D]** me"

Chorus:

We shared a [C] Christmas hug
We [D] shared some [G] Christmas love
And felt the [C] tender ache of [D] loneliness [G] depart
We shared a [C] Christmas hug
We finally [D] cared [G] enough
To feel the [C] miracle of [D] Christmas
In our [G] hearts

Christmas comes and Christmas goes
Doors will open, doors will close
So [C] many Christmas [D] mem'ries we hold [G] dear
But the best of all the best
Always [D] stands out from the [G] rest
It's [C] one we will [G] remember through the [D] years

Chorus:

We shared a [C] Christmas hug
We [D] shared some [G] Christmas love
And felt the [C] tender ache of [D] loneliness [G] depart
We shared a [C] Christmas hug
We finally [D] cared [G] enough
To feel the [C] miracle of [D] Christmas
In our [G] hearts

A [C] simple hug brought [D] Christmas
To our [G] hearts
