[G](5) Headin' up to [C] San Francisco,
[D] for the Labor Day [G] weekend show
I've got my [C] Hush Puppies on,
I guess I [D] never was meant for glitter [G] rock and roll
[Am] And honey [C] I didn't know,
[D] that I'd be missing you so

Come [C] Monday, it'll [G] be all right;
Come [C] Monday, I'll be [D] holding you tight
I spent [G] four lonely [Bm] days in a [C] brown L. A. [D] haze,
and I [C] just want you [D] back by my [G] side

[G] Yes, it's [C] been quite a summer,
[D] rent-a-cars and [G] west-bound trains
And now you're [C] off on vacation,
[D] something you [G] tried to explain
[Am] And Darlin' it's [C] I love you so,
[D] that's the reason I just let you go

Come [C] Monday, it'll [G] be all right;
Come [C] Monday, I'll be [D] holding you tight
I spent [G] four lonely [Bm] days in a [C] brown L. A. [D] haze,
and I [C] just want you [D] back by my [G] side

[Amaj7] I can't [D] help it honey,
[Amaj7] you're that much a [D] part of me now
[Amaj7] Remember that [D] night in Montana,
when we [C] said there'd be no room for [D] doubt? [F](4) [C](4) [G](4)

[G] I hope you're en-[C]joying the scen'ry,
[D] I know that it's [G] pretty up there
We can go [C] hiking on Tuesday,
[D] with you I'd [G] walk anywhere
[Am] California has [C] worn me quite thin,
[D] I just can't wait to see you again

Come [C] Monday, it'll [G] be all right;
Come [C] Monday, I'll be [D] holding you tight
I spent [G] four lonely [Bm] days in a [C] brown L. A. [D] haze,
and I [C] just want you [D] back by my [G] side
