[Em] Instead of cursing the darkness
Light a **[Am]** candle for where we're going
There's **[Em]** something a **[B7]** head worth looking **[Em]** for

When the light of time is on us
We will **[Am]** see our moment come
And the **[Em]** living soul in **[B7]** side will carry **[Em]** on

It's a **[C]** chance to give new **[G]** meaning
To **[D]** every move we **[Em]** make
Through the **[C]** caverns and the **[Em]** caves
Where we come **[B7]** from

Standard tuning tab:

```
A|----0h2--0-----|

When the light of dawn is on us
We will **[Am]** see what we can be
And the **[Em]** ancient ones can **[B7]** sleep an easy **[Em]** sleep

In the hallways of the ages
On the **[Am]** road to history
What **[Em]** we do now will **[B7]** always be with **[Em]** us

It's a **[C]** chance to give new **[G]** meaning
To **[D]** every move we **[Em]** make
In the **[C]** caverns and the **[Em]** caves
Where we come **[B7]** from
