Perhaps **[G]** love is like a **[Em]** resting place, a **[C]** shelter from the **[D]** storm
It **[G]** exists to give you **[Em]** comfort, it is **[Am]** there to keep you **[D]** warm
And **[Bm]** in those times of **[Em]** trouble, when **[C]** you are most a **[D]** lone
The **[Am]** memory of **[D]** love will bring you **[G]** home **[D]**

Perhaps **[G]** love is like a **[Em]** window, **[C]** perhaps an open **[D]** door
It in **[G]** vites you to come **[Em]** closer, it **[Am]** wants to show you **[D]** more
And **[Bm]** even if you **[Em]** lose yourself, and **[C]** don't know what to **[D]** do
The **[Am]** memory of **[D]** love will see you **[G]** through

Oh **[Bm]** Love to some is **[Em]** like a cloud, to **[C]** some as **[D]** strong as **[G]** steel
For **[Bm]** some a way of **[Em]** living, for **[C]** some a way to **[G]** feel
And **[Bm]** some say love is **[Em]** holding on, and **[C]** some say letting **[G]** go
And **[Bm]** some say love is **[Em]** everything, **[Am]** some say they don't **[D]** know

Perhaps **[G]** love is like the **[Em]** ocean, full of **[C]** conflict, full of **[D]** change
Like a **[G]** fire when it's **[Em]** cold outside, **[Am]** thunder when it **[D]** rains
If **[Bm]** I should live for **[Em]** ever, and **[C]** all my dreams come **[D]** true
My **[Am]** memories of **[D]** love will be of **[G]** you
