It's gonna be a **[Eb]** bright (bright), **[Bb]** bright (bright), sun shiny **[F]** day.

I think I can **[Bb]** make it now, the **[F]** pain is gone.

All of the **[Bb]** bad feelings have **[C]** disappeared.

[F] Here is that **[Bb]** rainbow I've been **[F]** praying for.

It's gonna be a **[Eb]** bright (bright), **[Bb]** bright (bright), Sun-Shiny **[F]** day.

[G#] Look all around, there's nothing but **[Eb]** blue skies.
