[C] You ask me if I loved you [F] and if my love is [C] true  
Well if I were a rich man [D7] here is what I'd [G7] do  
I'd [C] buy you a diamond ring and a [F] new fur coat or [C] two  
If my nose was running money I'd [G7] blow it all on [C] you

If my nose was running money I'd [F] blow it all on [C] you  
I'd buy you a Cadillac a [D7] new Mercedes [G7] too  
I'd [C] build you a mansion [F] upon that mountain [C] top  
If my nose was running money but [G7] honey, it's [C] not!

If my nose was running money you'd [F] have anything you [C] please  
Anytime you wanted cash [D7] all I'd have to do is [G7] sneeze  
Honey [C] you'd win the lottery [F] when I have a cold or [C] flu  
If my nose was running money I'd [G7] blow it all on [C] you

It's a [F] booger of a problem I've [C] got  
I wish my nose was running money but it's [G7] not!  
I'd [C] buy you a diamond ring a new fur coat or [C] two  
If my nose was running money [G7] I'd blow it all on [C] you
