

I Am the Entertainment

key:C, artist:Frank de Lathouder (also written by Frank de Lathouder)

[C] I am the entertainment.
[F] And I am so proud to be here.
[G] I love all kinds of music.
[C] And I cover quite a bit.

If you like Pale Ale
[F] Be sure to try the new batch
[G] Be sure to tip your servers
[C] They work so hard to make you happy

My tips go in this case here.
[F] And you can have a business card.
[G] With one of these at any place in town
[C] You can get anything ... at the regular price.

[C] This tune is not a cover,
[F] Just explaining my arrangements.
[G] While I can learn other magic sometimes
[C] It doesn't work for me like mine.

I used to spend a lot of time
[F] Trying to sound just like the records
[G] Spent years at Rick's Garden Party
[C] Missing the lesson in the lyrics.

[G] I'll play Margaritaville
[Am] and Hotel California
[F] We love them, so I do them.
[G] But sometimes they sound different.
[C] I know I do `em good. And I hope you like it.

Did you even know?
[F] They work fine on ukulele.
[G] Before you hear me do them,
[C] You might think I'm crazy.

I love to cover music
[F] Because it makes me feel things.
[G] And in the way I play it
[C] I let you see inside me

[G] I'll play Margaritaville **[C]** and **[Am]** Hotel California
[F] We love them, so I do them.
[G] But sometimes they sound different.
[F] I know I do `em good.
[C] ... And I hope you like it.
